**Patent annuity notes:** TSUBAME professional fee: PHP 6,000 per patent per year. Excess claims over five may attract an additional official fee of PHP 210 (Small) / PHP 420 (Big) per excess claim. Late payment surcharge: 50% of the annual fee.

## GENERAL NOTES

• All professional fees are stated in Philippine Pesos (PHP).

• IPOPHL official fees, taxes, Legal Research Fund (LRF), translation expenses, bank/payment charges, courier charges and other disbursements are additional unless expressly stated otherwise.

• IPOPHL generally applies a 1% Legal Research Fund (LRF) to official fees, subject to the applicable minimum.

• Small Entity generally means an entity with assets of PHP 100 million or less; Big Entity means an entity above that threshold.

• Official fees shown are subject to change by IPOPHL and may also vary depending on classes, claims, pages, embodiments, priority claims, entity status and procedural circumstances. Please contact us for a quotation on any specific matter.

• Complex, contentious, evidence-heavy or exceptional matters are quoted separately.

• For multiple rights handled simultaneously under the same instruction and supporting documents, a volume quotation may be available.

• This fee schedule is subject to change without notice.
